“ To Tori -

Words fail to express what my heart is feeling. Just know that you have the love and support of so many around you during this most difficult and painful time. Please know that I am thinking of you and holding you close in my heart. The next few days will be some of the hardest you've ever faced. May you be comforted by the love of God and those around you that love you so much.

*I love you eternally, best friend.

Praise be to God and Father of our Love Jesus Christ. God is the Father who is full of mercy and all comfort. He comforts us every time we have trouble .so when others have trouble, we can comfort them with the same comfort God gives us. We share in the many sufferings of Christ. In the same way, much comforts come to us through Christ . He will be missed.
