

Jo'Nee Dlayne Lee

January 2, 2005 - May 26, 2025

It is with heavy hearts that we announce the passing of Jo'Nee Dlayne Lee, a vibrant spirit who filled the lives of her family and friends with love and light. Born in Plainview, Texas, Jo'Nee lived her life in Lubbock, where she developed her undeniable passion for the great outdoors. Whether she was wandering through nature, casting her line in hopes of a catch! Jo'Nee embraced life with a wild and carefree heart.

She was known for her stubbornness, which often delighted those who knew her best, and was deeply loved by all. Jo'Nee's family, including her mother, Kimberly Ginn; step-father, Cason Ginn; siblings, Cameron Gurvitz, Tony Schmidt, and Gia Galindo; her grandfather, Danny Ginn; and grandmother, Sharon Lynette Ginn, will hold her memory dear. They will share these precious memories with her beautiful baby girl, Jay' Lee.

A private service will be held to honor Jo'Nee's remarkable life, allowing her family to celebrate the countless memories they shared. In the spirit of connection, friends and loved ones are encouraged to share their cherished memories and reflections on Jo'Nee's tribute page at www.sandersfuneralhome.com.

Jo'Nee may have left this world too soon, but her loving spirit will remain in the hearts of those who were fortunate enough to know her. As we prepare to say goodbye, we take comfort in the legacy of laughter and joy she leaves behind.

“ i always loved jonee for her daring behavior, she always brought out a side of me I was scared to bring out to others, she encouraged me to live every once and a while and to not be bothered by others, i will cherish our time rather than dwell, and know I have someone waiting for me.
