“ Joel has been a good brother with us. He was a smart, and witty man. His fellowship has been a good time during my school years. He once mentioned a little riddle game he last time. Its a shame I didn't actually figure out how it worked. It has been good. Thank you so much

“ Joel was much loved here in Taiwan. Thank you for sharing the video of his funeral service. May Our loving God be with Joel's family - giving them strength when they need strength, comfort when they need comfort, but most of all, giving His presence and love. Thinking back of Joel and his time with our church, I agree; "But now faith, hope love, abide these three; but the greatest of these is love." May God bless and keep you all.

“ I'll never forget going to see Avengers Infinity War with Joel and a couple of our close friends David and Jessica. He was so sad and confused and I'll never forget his face when the movie ended, I looked over and he was like "What the heck was that?" you know that face he makes. haha We ended up at the bar at the alamo draft movie theater trying to all process what we had just seen hahahaha I sat here just now laughing so hard and also crying. I cherished my time with him, thank you for allowing me the honor of watching on webcast so I could hear stories and have some time to grieve with ya'll even though i am on the other side of the world. I love you Morey family so much and I am praying for you all.

“ Thank you brother Joel for teaching "forgiveness" in 4pm class Sunday School at GBC this Spring, 2020. I felt God's teaching through Teacher Joel. And it's the first time I really make the decision to obey it and it really improve the relationship a lot of my marriage. Thank God very much and thank brother Joel very much too! May Brother Joel be with Lord Jesus really happily and peacefully every day! 🌸🙏 See you in heaven some day! In Jesus' Name I pray, Amen! (2020/09/14)

I thank brother Joel for helping to teach in our 4pm Sunday School class at GBC this year. When I was away in US during the pandemic, he helped to set up the Zoom meetings from the classroom, so people could join both in-person or online. Joel lived out by example what he taught in Malachi, i.e., generous giving to God's kingdom. May God bless him for his kindness and generosity at the resurrection of the righteous.

Yea I still can recall his sharing when I asked the technical issues of offering. Just a pity of not digging in deeper due to the lack of time. Thank you for being with us, brother Joel.

“ Dear Brother Joel ! You were always kind and generous. When I was in charge of my company’s Chrisitan club activity, you came to help run our English Bible study in Taiwan. Also at Taipei GBC, you led 4pm group Bible study even through your difficult battle with cancer . Thank you so much for enriching my life! I will miss you!

“ I met Brother Joel through another Christian Brother, Isaac Chen. The few times that we talked and hung out together with other Christian Brothers & Sisters, he was always kind to people and humble. In Bible Study classes, he would share his thoughts on Scripture. You could feel his love for JESUS!

“ As his friend in Taiwan, it was an honor to have a brief few years with him as a brother in Christ. He was always encouraging and sincere to his good friends. He has a special gift to love people because he is kind and patient with people who others find annoying. His memories will be cherished for he had influenced me to love people better. I will emulate that part of Joel in honor of his life.
