Joel Apollo Narbaez, Sr. and Jeanie Arredondo my heart hurts for your loss. Our kids were friends at LHS and Tech. Narby spent time at our home on occasion and from the very 1st time I met him he definitely made an impression. He was funny..yes, but I feel his best traits were his honesty about his feelings, his love for his friends and his precious gift of friendship to others. I followed him on social media through the years and every now and then he would reach out to give me an update on his life. He was truly a remarkable young man. I am praying for you both and for his loved ones. Lisa Rodriquez
