

Johnny Jones

September 26, 1975 - September 20, 2022

Johnny Jones, 46, of Lubbock, Texas passed away September 20, 2022.

Johnny was born September 26, 1975, in Coffeyville, KS to James Jones and Catherine Jones. He grew up in Lubbock and was a very mischievous child. He loved his hot wheels and passed that trait onto his son James. His passions growing up were always motorcycles, fast cars, and music. He was a self taught guitarist and loved to play for his kids, especially his daughter Caitlyn.

His dad taught him how to shoot black powder and how to throw tomy hawks. His dad died when he was 24.

He opened his own body shop and worked on motorcycles and cars. This lasted for about two years, before he started getting sick. He had a five-way by-pass when he was 36. Then in July of 2020 we got the news he had heart failure and was given a mechanical heart.

Johnny was a people person. He loved helping others. He was a member of the LVAD (left ventricle assistant device) group and helped many of the people get through tough times.

He loved working with his hands. He loved woodworking and welding. He

made beautiful tomy hawks of high quality.

He will be greatly missed by a lot of friends and his family.

Loved ones include mother Catherine Jones; daughter Caitlyn Jones; son James Jones; sister Tracy Landeros; niece Ashley Evans; nephew Christopher Landeros.

Preceded in death by James Jones (Father) and Lois Jean Cordell (Grandmother).

A celebration of his life will be 3:00 PM Tuesday, October 4, 2022 in Sanders Memorial Chapel with Josh Reglin officiating. A webcast of services will be available as well as our online guest book.
