“ Joni was one of our favorite friends ever. We loved teasing her and she could give it right back! I sent over muffins a few weeks ago and my husband sat and visited with her a good while. I am glad we had some time to visit with her, not knowing our time would be so short. We will see you again, sweet friend. You left a hole in our hearts here on Earth but I know you are now sitting at the feet of Jesus!

“ I wish I had the words to express my love and admiration for Joni. For over 50 years, starting with our fellowship at Bacon Heights, Joni has blessed my life and helped me not to take it too seriously. I will look forward to seeing her again in glory! She will be one of Heaven's bright spots! Much love to you all!

Joni was such an inspiration to me and my sister Lola Eastham Mattingly! She always had a way of uplifting you just by smiling at you. She was funny and full of love for everyone. It has been a very long time (over 30 years since I moved away) since I actually saw and talked with her but the impression she made on me when I was a member at Bacon Heights has lasted and I never forgot the vision of that smiling face in all those years. No doubt she has touched many, many more in that same way in her lifetime. Shine on Joni, Shine on!
