“ Lupe (Jose) was like a little brother to me. I have so many memories of us playing together as we were growing up. He gave the best hugs so I am going to miss seeing him and the great hug. Any time we were at a family event he was the great host always making sure everyone had what they needed. I loved his posting on grilling and we had nice conversations about his family he and was so proud of his boys.  
I cannot say how much I will miss you. You will be in my heart for ever. I find peace in knowing he is with the Lord in heaven.
