I used to work with Joe, if my memory serves me correctly, I believe it was U.P.S. where he was a supervisor. Please correct me if I am wrong but although it has been many many years, I do remember Joe because he was such a down to earth man, and a kind man. I always liked Joe. I am sorry for your loss.

My sweet JoeJoe!! I will always remember all the great financial advice you had for me when I was a single parent! All your stories about your managing days for your sons band, your managing days with UPS and of course all your stories about your family that you loved so much! Oh and how can I forget the love you had for Mrs. Mary and the casinos!! I love you so much and I hate that COVID messed up our last year of seeing you and hearing your stories. Much love to the family and especially Mary. You will be so missed by so many! Thank you for all the memories!

“ *Mi mas sentidas condolencias para su esposa y familia, y a mi companera de trabajo Silvia Saenz, por esta irreparable perdida. Siempre le recordare con mucho carino ya que fue mi primer Jefe, siempre demostro ser una persona trabajadora, gentil y un ser humano bueno, paciente y comprensivo con los demas, siempre recordare cuando trabajaba en su shift que compartiamos conversaciones de la familia en esos rapidos y apurados breaks compartiendo una taza de cafe con una galleta, las palmeritas y los alfajores que le gustaban mucho y que siempre me decia " no mas uno poque me estoy cuidando mi salud" , pero al final como un nino goloso se comia una ultima galleta para acompanar su taza de cafe en su larga jornada laboral. Paz en su tumba, que descance en Paz qu ido Joee.*
