“ I worked with Joyce at Methodist Hospital and stayed in touch with her after she left. Such a kind and gentle soul! She brightened the world and sure loved people and all those critters she took care of! Praying for her loved ones.

“ Joyce was such a wonderful and attentive lady. For over a dozen years she cared for our puppies and home when we were away. Never once was there a worry or concern. And our long phone conversations about everything from caring for parents and pups to our own hobbies, gardening, and health were priceless. Walter, Corbin, and I were honored to call her friend and will miss her. May those left behind be comforted by her joy and memories now.
