“ *Mrs. McQueen always had a smile and a laugh. She delighted in her children and had an unconditional love for her family. As a pre-teen and teenager, Gwen and I could get into some craziness and she would just laugh when we shared our stories. She would say "Gweenie, you girls shouldn't be doing that! (laughing)" When Bobby would chase me through the house, she would just laugh and say "Bobby, stop that..." laugh, laugh, laugh! I went with the family to Ruidoso one time and as Gwen and I walked out the front door, there on the porch was a bear. We went screaming back into the house and she just....laughed and laughed. I always felt safe with the McQueens both Jack and Joyce. They always made me feel like a part of the family.*

She and I could talk forever about me...she always wanted to talk about me. What a gift she gave me. I love my memories of Jack and Joyce McQueen. They touched my life, they impacted their family and they changed Lubbock!
