“ There are no words to adequately express the sadness I felt when I heard about the death of Joanna. However she is in a better place with her other loved ones now. As I write to you with my condolences, my head is filled with images of Joanna and the joy she brought to all of us who were lucky enough to know and love her. She was always very kind to me and I have many fond memories for example, she took me and my sister to Corpus Christi when I was a child. She was truly a special person and we are all deeply sorry for your loss. Denise we have you and your family in our thoughts and prayers  
XOXO Bonnie Formoso  
You took good care of her during her journey.

“ Love you Denise. Our thoughts and prayers are with you. She was a wonderful woman. She would have Tiffany and Dusty with her for hours and even spending the night and spoiled them rotten. Dusty always wanted to go to your or your mommas house.
