“ *To the family of Nita Pickett,  
I have known Nita for the last 20 years as a PEO sister. She was a beautiful spirit, as well as a beautiful lady, always beautifully dressed and every hair in place. Until the last few years, she was sending emails to me - astonishing at her age. It always brought joy to me to visit her as she knew who I was.*

*The laughter and joy on her face when we accompanied her on the Carrillon van to our Christmas party at a PEO home. Many happy memories of Nita.*
