“ I grew up with Judy in Highland. We attended Catholic school from first grade to graduation. We were both cheerleaders in high school and became very close friends. What I remember most about Judy was her kind disposition all of the time. She was a peace maker and a loyal friend. I will Miss her. Linda Gomez, Douglas Az

“ Oh my sweet, brilliant, funny man, I am so very sorry for this incredible loss. Judy had to be a very strong and faithful woman to stay married to you all those years. My memories of her were brief as I think I only met her a few times, but she left such an impression of kindness and LOVE. I am saddened that she had to leave you, but grateful that she is no longer in so much pain. The only peace that I can leave you with is that God opened his amazing arms and she is there in his embrace.

Love you Pat,

~Heather Lunch Ford, (soon to be Martin on 3/16/24).
