When my husband, Pastor Kevin O'Brien passed away, it was hard for me to find my place at church. I went to the nursery to "help" Judy with the babies. But all truth be told, she helped me more than I helped her. She was a sweet and loving servant of the Lord. Your presence will be missed. I'll see you in the sweet by and by. Love you ❤️

Condolences to Ms. Judy's children. I worked in the nursery at Bethany Baptist Church with Judy many many times. She was so loving to those babies. She told me once that she would work at her job happily, knowing her reward would be spending time with her babies. She was adored by those babies! Judy you got to retire, so glad we will see one another again one day. I'll miss you sweet friend. Nyla Wesner

“ Ms. Judy - You will be deeply missed throughout the Counties, but more on a personal level with me. We worked side by side many times throughout the 20 years I worked with you. Loved our Spiritual talks we would share so freely - we know who our Savior is and may you rest in HIS arms. Love you always Judy Gail Border!

“ Judy Gail, I am going to miss you so very much. You kept me doing the right thing at work for 19 years. It's hard to think of being in the office without you. I will see you again someday. Until then, hold all those babies in heaven. Love you so!
