“ Julie was a happy, friendly, kind lady who was married to our uncle. They had 2 children together and they all visited when they could and the children played with our children who are of similar ages. I was sorry to hear and read about her passing. May she walk with God and soar high with the Angels in eternity. May her family be blessed and know she touched the lives and hearts of others even if only for a short while. Nadine Fazek Penwell and Family
