

Karla Cabe Hope

November 21, 1962 - June 9, 2024

It is with profound sorrow that we announce the passing of Karla Cabe Hope, a cherished wife, mother, grandmother, and a pillar of her community. Born on November 21, 1962, in Lubbock, Texas, Karla was the treasured daughter of Conrad and Norma Cabe. She was raised in Brownfield, Texas, alongside her two older sisters, Patti and Sandy Cabe. Karla graduated from Brownfield High School in 1981 and pursued higher education at Angelo State University.

In 1985 Karla married her high school sweetheart, Richard Hope, marking the beginning of a beautiful journey together. Their union was a testament to enduring love and partnership, enriching their lives and those around them. Karla's life was a testament to her devout faith. Her unwavering relationship with her Lord and Savior, Jesus Christ, provided her with solace and strength throughout her life. She found immense joy and fulfillment in her role as a homemaker, dedicating herself to raising their three children-Jared (34), Ragan (33), and Landon (29). Her strong Christian faith and traditional family values continue to inspire and influence her children and their families.

As her children grew older, Karla ventured into entrepreneurship, owning and operating Hulla B' Lu of Lubbock. Her business acumen and community involvement earned her respect and admiration from her peers and neighbors. Karla's vibrant presence and contributions to the community were both valued and impactful.

Her greatest joy in life was being "Kiki" to her seven beloved grandchildren: Corbin (6), Lawson (4), Amelia (3), Palmer (1), Ana (9 months), Lucy (1 month) and with baby girl Hope due in August. Kiki devoted herself wholeheartedly to their upbringing, always planning her activities around their schedules in order to create cherished memories.

Family and friends are invited to pay their respects at a visitation on Thursday, June 13, 2024, from 5:00 to 7:00 PM at Sanders Funeral Home. A service celebrating Karla's life will be held at Monterey Church of Christ on Friday, June 14, 2024, at 2:00 PM, with graveside services to follow at Resthaven Memorial Park.

Karla was preceded in death by her parents, Conrad Cabe and Norma Fore Cabe, and sister Patti Cabe McGuire. She is survived by her husband, Richard Hope; son and daughter-in-law Jared and Kelsy Hope; daughter and son-in-law Ragan and Alex Mladenovic; son and daughter-in-law Landon and Brianna Hope; grandchildren Corbin Hope, Lawson Hope, Amelia Hope, Palmer Hope, Ana Mladenovic, Lucy Hope, and an additional granddaughter due in August; and sister Sandy Cabe Meeks.

“*Karla, as I have mentioned so many times, was MY survival guide. She was the first in Lubbock to have a bilateral Nephrectomy and simultaneous Kidney Transplant (from her best friend) in Lubbock. I was the second, a year later, (receiving a kidney from my best friend also!) we both shared a common denominator...Polycystic Kidney Disease. We were the same in the respect of not letting a diagnosis bring us down. I gained my strength from her, just as much as from my family. She was there for me, cheering me on, giving me good advice and telling me and showing me how to MAKE IT! The one thing we both knew, was how HARD, it was to accept a kidney, the gift of life, from our best friends. I will NEVER forget what Richard told me soon after I returned to work, as a RN in CICU. He said, "Don't ever deny the gift of giving." That hit me hard, and in my soul. That day, I let the guilt go. Karla was an angel and the survival guide I needed in my life. I know, that I KNOW, she was THIS and more to so MANY people. She has left a hole in many of us. But I trust that God above has her in his loving care, free from Polycystic kidney Disease. For that I am envious of her. God Bless her family, and ALL that loved her, with the comfort that only YOU Lord, can provide!*

“*My memory of Karla goes back to childhood. In school, we were assigned row-seating based on last names (Cabe-Barraza); I was privileged to sit in front of Karla because she was a role model of a good student and a thoughtful person. People come into our lives for a certain time for a certain purpose leaving an imprint that lasts a lifetime. RIP classmate.*

“  When they say good friends are hard to find it is so true. My mom has met many people and made many friends over the years. So when she met these ladies it was no different. They were sister with very similar illnesses but didn't let it stop them. They called me one day and said we're coming to Jax (from Texas) and we want to surprise your mom. Can you make it happen and I did. We met at Maggianos and in they walked Mrs. Karla Cabe Hope and Mrs. Sandy Meeks. Well Karla you must have gotten tired and couldn't wait for your physical change so last night God came and whispered "Come home beautiful  " and you answered. Our family is hurting and crushed because you were such a jewel to her. Take your rest my friend   we're praying for the family and friends children and Grandchildren you left behind. Heartbroken   "Earth hath no sorrow that Heaven cannot heal"

R.I.P. my friend KARLA and take your rest.
