“ Sue was my first cousin, as our dads were brothers. My sister, Shirley and I were playmates of Sue, when we were little girls. Grandma Potts called us the "three musketeers." We have a lot of memories and pictures taken of the three of us playing out at the Acuff farm. It's hard to believe she's gone. I moved back to Lubbock five years ago, and we reconnected. I will really miss talking to her on the phone and seeing her from time to time. She was a kind hearted, generous woman who was always thinking of and doing for others.

“ Aunt Sue was a kind lady. She was always giving. She never forgot a birthday or Christmas. I remember when she did ceramics, always coming back to Knoxville with lots of new and cool ideas, sharing with us and sending us things. Her voice was so soothing, being from the south I was always intrigued with her southern accent. We will miss you.
