“ Deatetra -- I just heard about Kenneth's passing from a step cousin of yours -- Sam Hicks, who I work with. I'm so sorry. What a sweetheart he (and Pat) were -- all of you were so good to me and I have such fond memories of the times I spent with you. I hope you are well. It's been so long -- I would love to hear from you. Don't want to leave my email address here for the whole world to see, but I am on facebook. Sending my love and prayers your way, and hoping you are comforted by your precious memories.

“ *I'm going to miss you my buddy. Time I spent with you was too short, but the short times we did spend together you always made me laugh and feel loved. You were an awesome man...Thank you for all you did for our freedom in the military! You were a fantastic husband, father and friend. You are already missed by so many people. Have fun in heaven dancing with Pat, and eating her red beans and cornbread. When I get to heaven I will still be taller than you, and BTW keep Sady away from me she never liked me!! God bless you my sweet friend and enjoy heaven!*
