“ Kyle will always be a part of my family. He was my brother of the heart, which in my case was more of a brother than my biological one. I will always remember him as "Tide" which was a nickname my mother gave him over 45 years ago. I will miss our often talks on the phone and him teasing me about things that we did and things that happened when we were kids. We had a lot of fun growing up. He would be at our house most days before breakfast and didn't leave until after dinner. One day he was there and it was lunch time and my mother had made tomato soup. He told my mother he didn't like tomato soup...he just ate 3 bowls of it that day...my mother told him she was glad he didn't like it because if he did there wouldn't have been enough for the rest of us. There are so many memories like this of our days in Grand Saline growing up on the farm.

Although we didn't get to see each other very often, we did talk often and I cherish that bond that we had. I will always miss you Tide.

*Love,
Nee Nee*
