“ I cannot count the many games of Skip-Bo that I played with Ms Leann. Or the many times she came to my rescue during some of my most difficult of times. There is no way in the world of replacing her friendship. We have all been very blessed with her short presence on earth -
I know I have.

“ *The Cody & Winters Family,*

Leann was my friend. I first met her when we both attended the same church. She and Mitch always sat in the same spot, in the center and near the front. She was a beautiful and quiet spirit. I later knew Leann as a fellow BOA at Edward Jones. We sat together at one of the last Regional Meetings and during our breaks we discussed her beautiful skin. It was as pure as cream I told her. I said I have to know your secret. That's when she told me that Halee sold Avon. I miss Leann already but I know she will live on through her family and friends. My thoughts and prayers continue to be with you all.

“ *Leann and I had a close working relationship, but beyond that, we were friends. We would just call each other to discuss all of the changes in our work world and to discuss our grandchildren's upcoming functions. She always had a smile for me when I walked in her office or we saw each other elsewhere. She truly loved her job and the people she worked with. But, the biggest light in her world was her grandson, Jake.*

I am very honored and proud to call Leann my friend and I will miss her to the depths of my heart.

I will see you again in heaven and we will rejoice together!

“ *To Leann's family,*

I am shocked and deeply saddened to learn of Leann's passing. She was a beautiful person inside and out. We started our career at Edward Jones just one month apart. Leann was a true and dedicated partner to Jim Gabriel and his clients. She loved her family without fail. She and I sat together at the last regional meeting I attended in Lubbock before moving and we had a great time. She was a very funny person and I know she will be deeply missed by all who had the opportunity to know her. You are in my thoughts and prayers at this very difficult time.

“ *Very sorry to hear about Leann. I knew Leann through her job at Edward Jones and it was always a joy to hear her voice and to know she would take care of things. We talked on a personal note and had lots of West Texas things in common. Our thoughts and prayers are with Leann's family.*
