“ Terry and I were neighbors of Kevin and Leann years ago. Tanner is close in age to our beloved Julia who is now in heaven. Kevin worked at the City at the same time I did. Kevin and Leann are special people and so very kind and faithful. May God comfort and embrace your family during this time of tremendous loss. We are praying for you.

“ So many memories wouldnt know where to start..Leanne was like a sister to me and her friendship and love went way beyond the cancer we both had...she was the 1 person that I could be with and talk to and not have ot all revolve around cancer...her love of family and friends, her faith, her contagious smile and love of life, was always an inspiration to me and made me try and work to be more like her....besides my family here in AZ, she was the 1 person I could always count on for anything and everything.. this past week I have caught myself several times going to call and share something with her...she will forever be in my heart and I will always cherish all the memories we made...I know shes in heaven and even though I miss her so much, am thankful that she is no longer suffering...the angel she was while with us here, was just preparation for when God called her home...she was taken from us way to early, but it's because God has special plans for her...I know shes watching over all of us..RIP my sweet friend u r loved and missed.

*In Remembrance of LeAnne...*

*Very few individuals touch the world the way this beautiful, unconditional and brave woman touched not only my heart but the hearts of so many others as well. If you met her, you instantly loved her. Her sense of humor would catch you off guard. She could make my belly hurt with laughter with her quick, soft spoken one- liners, the roll of her eyes and that cute sideways smile. She will forever live on as a shining example of kindness, strength and most of all unwavering FAITH.*

*Rest in peace my dear, sweet cousin, until we meet again*

*LeAnne was a very gracious, sweet, kind hearted lady who truly loved the Lord, family & friends. I met her when I was in college at Trinity Church and we were good friends. I loved her whole family too. I am sorry to not have been able to stay in touch with her and Kevin due to having lossed part of my memory. I am also sad that I will never be able to tell her again what she meant to me, but I loved her very much! My condolences to Kevin, Tanner and the whole family! Her legacy lives on and know that so many people are going to Heaven because of her Christianity! God bless the Lair family and the Herrons also...*
