

## LeAnne Traylor

September 11, 1947 - January 11, 2026

With heavy hearts, we announce the passing of LeAnne Traylor, a beloved wife, mother, grandmother, and friend, who departed this world on January 11, 2026, at the age of 78. Born in Big Spring, Texas, LeAnne's family moved to Lubbock when she was just eight years old, where she would go on to create a life filled with love and adventure.

LeAnne graduated from Monterey High School in 1966, and shortly thereafter, she married her devoted husband, Bob Traylor, on July 8, 1967, in Lubbock. Together, they built not only a family but also a thriving business-owning and operating Bob Traylor Jeweler until their retirement in 2011. LeAnne's passion for jewelry mirrored her love for life, and her warm spirit touched all who entered their store.

LeAnne found joy in her family, raising three sons-Douglas, George, and Robert-who were her pride and joy. She was especially cherished as a grandmother to six grandchildren and a great-grandmother to one. Family gatherings were always filled with laughter, love, and a strong sense of togetherness.

A remarkable adventurer, LeAnne, along with Bob, passionately traversed the great expanse of the United States by motorcycle from 1987 to 2012. Together, they rode almost 500,000 miles, creating bonds that will last through

generations. Throughout her travels, LeAnne's love for shopping shone brightly, often leading her to discover unique treasures along the way.

A memorial service honoring LeAnne's remarkable life will be held at Sanders Memorial Chapel on January 16, 2026, at 10:30 AM. Friends, family, and those whose lives she touched are invited to gather and celebrate her legacy of love, adventure, and devotion.

LeAnne Traylor will forever remain in our hearts, a shining example of kindness, love, and unyielding spirit. She will be missed dearly, but her memory will live on in the hearts of all who knew and loved her.

LeAnne was preceded in death by her parents, Raymond and Delores Womack.

“ Dear Traylor's, this is Russell Kelley or as you knew me as Rusty, Shayne's friend as a teenager. I'm so sorry to hear of Annie's passing and I will always keep my memories of those days with the Traylor's close with me in memory. I remember staying at your house many times over the weekends as my second home and my love of how Bob and Annie always treated me as one of their own. This was a very safe haven for me and I felt like part of the family. I remember very well the years where Shayne and I were thick as thieves as best friends and all the shenanigans we get into together. Thank you Shayne for being my friend. We lost touch over the years after I got married and moved away to Houston. Thank you all for being such a big part of my life during my development as a teenager and into adulthood. We still also cherish the custom ring set that Bob made for Joan and I for our marriage back in the day. Annie was loved by me like the second mom and I always loved her quirky ways which are like no other I've ever cross. Both her and Bob made a big imprint on me in my life. I still remember the days where Bob and Annie let me come back into the jewelry shop and watch Bob make jewelry. Please know that I keep your family close to my heart in memory and hope that you all can find peace in the loss of Annie.
