

Lee J. Gaddis

April 14, 1901 - February 25, 1954

No obituary found for this tribute.

Tribute Wall

“ We had fun playing basketball together. You had a pretty good game. I'm going to root for those Eagles for you, even though it's not my team in memory of you. My friend and brother in Christ. I will have to walk through that door someday myself and I'm going to do my best to be prepared. The best I can. Our spirits will meet again.
