

Leslie Davis

March 31, 1954 - November 2, 2013

Leslie left this life on Saturday November 2, 2013 due to a sudden illness. She was born on March 31, 1954 in Lubbock, TX to Daryl and Barbara LeBoeuf. She graduated from Littlefield High School and attended South Plains College. Her career started as a hairstylist, and most recently she worked at Plaza Cleaners. She had been a member of St. Luke's and Lakeridge Methodist churches.

Leslie was preceded in death by her grandparents, James & Mattie Bryan, Claybert & Essie LeBoeuf, and her father Daryl LeBoeuf. She is survived by husband, Tommy Davis, children, Neel, Carlee, and Eric, brother Quinn LeBoeuf and his wife Debbie, all from Lubbock, TX, by her mother Barbara LeBoeuf of Cloudcroft, NM, and by various friends and family.

Her children and family were what she lived for. She was a feisty and outspoken woman, with a big heart. We love her so much and she will be greatly missed.

A visitation for Leslie Davis will be Friday November 8 from 5 PM to 7 PM at St Luke's Methodist Church (3708 45th St, Lubbock, TX) and a memorial service will be held at St. Luke's Methodist Church as well at 10:30 AM on Saturday November 9.

“ Almost 40 years ago I met this little pixie of a girl with a huge mop of red hair and a huge attitude. I fell in love with that hair and that attitude, and we shared a life and three great kids together. After last Saturday, I have to go on without her for the first time since that day. I'm not sure how that works, but the kids and I will figure it out.

“ I didn't know Leslie very well, only saw her on some occasions when she allowed us kids to "chill" at her house in junior high. My mom and her did some things together because both of their husbands were Lubbock firemen. I did build a great and lasting friendship with her son Neel, through my best friend Lacy Prock. During junior high, it was like Neel was my brother... he told me everything, as I did him. We went our separate ways in high school... but our junior high friendship had built a foundation. Of course, I kept up with Neel and his family and sad to say that one thing has brought us back together... it is unfortunate but it is so beautiful to hear of the memories that Leslie has created and what a woman of God she was, and a wife and mother to her kids and Tommy. I know that Mrs. Davis was very loved and will be missed dearly... I pray strength over the kids and Tommy and for healing to come in the next days, weeks, and years. Love you all,
Jacey Lester

“ I loved Leslie's heart for her family. We had many long distance talks about our kids. She was always interested in me and my family...and I know she loved me just as I loved her. I cherish the memory of her trips to Dallas with Carlee to shop...it was so much fun. The last time she came to the ranch we sat in front of the big window and laughed and talked while everyone went out to play. It is so hard to think that we won't have those times again in this lifetime but I know she is in the arms of Jesus... free from the struggles of this life...and someday she will be there to greet me.

I remember coming to your Wedding the summer of 1976 with my 6 week old baby girl, Kristi. That was the first time I met Leslie. As the years passed, we would get together at family functions at Grannie's house and later on meet at Aunt Nola's Ranch or another family member's wedding or funeral. I will miss seeing Leslie at our random family functions but look forward to the day we meet in Heaven. I won't be able to attend her service because Wolfgang and his family need me that day. We will be saying good bye to his Sister who recently passed away. My heart will be with you Tommy, Neel, Eric, and Carlee.
