“ Growing up with Linda throughout the years, I learned that she was a very hard worker in a very dedicated worker as we work side by side with her and her sisters as migrant workers in the 70s and early 80s. My first cousin by birth, my godmother's daughter, she was a bright shining light to her family and her children. She lived a life of the Lord and never ever gave her back to anyone in need of help at any time or place. She had a heart of gold and was dedicated and serving the lord for many years. We love you and will miss you dearly and you will never be forgotten. God just called you home a little sooner than we thought he would but we know that you're in a better place and we know that you're looking down on us smiling waiting on us to come and join you someday. I love you my dear cousin and I miss you very much!!!
