“Linda was taken away from us entirely too soon but I am sure that God has a higher plan for her in heaven. Linda was a great teacher for many years and one of the most talented crochet artists I have ever seen. Every holiday throughout the years, everyone pulled out and displayed some piece of Linda's handy work in their homes. I will never forget how absolutely sweet Linda was to everyone she met. Heaven is richer now with her there. To the kids and to Tony, Linda's memory will live on with us here until we meet her again when the good Lord calls us home. My heart breaks for you all and I am saying prayers for you all in this difficult time. Nothing is as important as family. Please remember that we are here for you if you need us. With love and a heavy heart ~ Sue
