“ I didn't really get to know Lorretta but can tell she was a wonderful Mom and person from reading all the touching tributes to her. Time and space prevented us from getting to know her. She and Larry were many miles away from the Pacific Northwest so we missed sharing in their lives. The one thing I do remember is meeting her and all their children at Larry's Mom and Dad's 50th Wedding Anniversary in Southern California. Many of us traveled many miles to be there, I was in awe of Lorretta's fantastic Hawaiian dresses and shirts she sewed for her family! I missed an opportunity to compliment her then. What a strong and loving woman she must have been to raise Larry's children as her own, quite an undertaking. Comfort each other in her memory. Love from Bob & Judy

“ I remember you allowing us to come play at your house, as kids. Thank you for taking care of all of us visiting kids as your own. Thank you more recently for taking us to the lake for July 4th, and sitting with me at the musical. You were always kind and funny, more than that, you were always *THERE* for people. I'm so glad to know you! ❤️ I'll try to always support Crystal as a friend the best I can, for all the foreseeable years. You are missed, greatly!

“ Loretta, you are deeply loved and missed. I will miss your love of well done steak, almost burnt popcorn shrimp, torturing servers, throwing Crystal the best birthday parties and so much more. May you always rest in peace.

“ Momma G, oh how you are already missed. Your smile and laugh. Your perfectly cooked bacon. Your fun stories. The way you loved and took care of the your people. I always felt so welcomed by you. You were like my second mom and I cherish every moment I had with you. My kids loved you, my husband loved you, all of my friends loved you. I love you and will miss you so.... May you forever rest in peace and continue to guide Crystal in the way you have been. I love you.
