“ Frankie,  
This is a terrible way to reconnect but Barry Rowntree saw the news in the Lubbock paper and forwarded to me.  
It doesn't seem that long ago when you work with me at HiFi and Jr decided to try to date that cute secretary. Sounds like Jr have had a good like and I am sorry to hear is is gone.  
Best wishes

“ Frankie and Bethany and your whole family,  
So saddened to hear of Bud's passing. He was a joy to know and serve at Landlocked and Michael J's. I think of you often as I drive by your house and there is no one to wave back at me. Hang in there!

“ Dear Frankie,

*I am so shocked and saddened to hear about Louis. Even though it has been a long time since we had seen each other, I still have very fond memories of Louis starting in fourth grade elementary school. The crazy home made go carts, hours of playing and riding bikes together, motor scooters and sleep overs that we so enjoyed as we grew up together. We were like brothers in so many ways, he was truly a best friend. My heart goes out to you and your family.*
