

Louise Audrey Holton

August 13, 1922 - August 26, 2018

Our sweet, wonderful Mama, Audrey Louise Watson Holton, 96, of Lubbock, went to her Heavenly Home August 26, 2018.

Graveside services will be held Wednesday, August 29, at Resthaven Funeral Home. There will be private family viewing only.

Louise was born August 13, 1922 to James and Flora Simrell Watson in Healdton, Okla. She grew up in Healdton and lived in Chickasaw for a short time, where she met her future husband.

She married Melvin G. "Buster" Holton on September 16, 1950 in Roswell, NM. They lived in Lubbock, which was home for Buster, for the rest of their lives. They had 2 children, Dale and Susan.

She was a faithful member of the Third Street Church of Christ since moving to Lubbock in 1950. She worked for Southwestern Public Service until 1952 when she had their first child. She was then a homemaker and mother full-time. Louise was a "homebody" and truly loved being home and providing a good home for her family.

She was the most gentle, kind-hearted woman you'd ever have the pleasure to meet. She was greatly admired and people always talked about her sweet

smile and her beautiful hair, which she did herself until the end of November.

Louise was a wonderful seamstress in her younger days and made a lot of clothes for herself, her daughter and her granddaughters. Many people wanted her to sew for them, but she was a perfectionist so she always said no. She took her time and made every garment with love and wasn't happy until it was perfect in her eyes...and they always were perfect. You couldn't find a store-bought garment that was made any better. She was also well known among all the family for her pies, especially her buttermilk.

She was preceded in death by her husband, Buster in 1982; her grandson, Josh Holton in 2001; 3 sisters and 1 brother. She is survived by her son, Dale Holton and his wife, Judy; her daughter, Susan Bowen and her husband Brandon, all of Lubbock; her granddaughter Becky Perrin and her husband, Mark, of Dallas; her grandson, Cameron Bowen of Lubbock; her granddaughter Brandi Bowen of Colorado Springs and 3 great-grandchildren, Wyatt, Lexi and Jonah Perrin of Dallas.

“ Louise was one of the kindest, most soft-spoken, Christian women I have ever known. When she smiled her entire face lit up. I feel so blessed to have known, worshiped with, and loved her for over 30 years. She made a big impact on my life and I will always remember her gentle ways. Dale, Susan and families I am thankful that you have so many precious memories. You are all in my prayers.
