Jimmy & Lucy were the second couple we met upon arriving at McConnell Air Force Base, Wichita, Kansas. We became fast friends and had our children closely together. Military orders & retirement followed but didn't hinder our friendship of now 40 years. Lucy radiated the light of Jesus and, though we are sad, mourning and will miss her terribly, the knowledge that we will be reunited in Eternity excites us for this joyous event. Until then, her love endures in all of us who continue to love her . . . Jimmy, Matthew & family and Mark & family, may the God of comfort hold you tightly and may the firm knowledge that Lucy is now healthy & whole awaiting you all bring you comfort and eager anticipation. We love you, Donna & Bob Barrera
