“ Lynette (better known as ZooZoo to us) was a lovely, generous and wise lady to our family. DooDad and ZooZoo shared their hearts and home with our little family and helped us grow our son into a everything that he is. She loved him unconditionally, never hesitated to help and fed him the yummiest food! You embraced our family and were always our biggest cheerleader. You're invaluable in our lives and thank you for sharing your quiet, strong, elegant presence with us. We are humbled. You're a bright star in our lives and will always be a integral part of our family. Life well lived and loved and a shining example for us to strive to be. Rest well, you are in our hearts forever!
