“ *Enjoyed the service and learn about Mack personal talent, I was unaware of these many talents, Did not see are talk to Mack in the last 20 years. Felix West Paints staff would tell me about Mack stopping by when he was in Lubbock. That was my source of information in keeping track of Mack. The memories I have are great, he help me through 20 years of projects at Methodist Hospital and my personal projects. My thoughts and prayers are with the family and his memories will be with me forever.*
