“ It was a very sad for me to hear one of my friends of many years has passed away. I went all the way through grade school, junior high and high school with Mack and knew him and all of his family very well. I am guilty of dropping Mack and another to be unnamed friend off to paint the water tower in Petersburg for the Seniors of 1957. I have fond memories of especially my high school years when I enjoyed both Mack and Mike as friends.

It is with a heavy heart today that I offer my prayers of comfort for his family.
