“ *Mamie Sue was a beautiful person inside and out. She had such a vibrant spirit, so full of joy, so loving and kind. I looked forward to spending time with her because when you were in her presence at family gatherings there was always an abundance of energy and laughter. I loved her and have missed her often. My thoughts are with her loved ones who will miss her terribly, but I know that she is in Heaven watching over each and every member of her precious family here on Earth. Love to you all-Kelly*

Grandmother, you are strong in your faith and strong in your determination. I have learned so much from you, grandma, and I cannot wait to see you again! I know there is a grand celebration happening now with the reunion of you, Grandpa Jack and Charles. But like you told me on Sunday, the most exciting part is seeing Jesus. I love you, and know that you will be at the party when I arrive someday- thank you for all you have done for me, and the countless hours and days you prayed for me and loved me. -JD
