“ *Aunty Marilyn was one of the most loving and giving women we have ever known. She always looked out for others and did her best to care for them. She was an incredible support when our mother passed. She consoled, comforted and advised us any time we turned to her. We love and miss you Aunty Marilyn. Janice and Jacob you are in our hearts and prayers.*

“ *Aunt Marilyn was a wonderful woman who loved deeply from the inside out. I could always count on her to call me no matter where I lived just to see how I was doing. I always felt as though she understood where I was coming from and there was never any subject that was off limits with her. Aunt Marilyn was also the first one I called when I was sick or Easton was sick. She always knew just what I should do. Not only that, she would call a few days later to follow up and see how we were doing. She will be greatly missed.*

“ *My Aunt was a very loving person. She was fiercely loyal when it came to her family. She loved us like her own and spoiled us with more than just material things (although I always looked forward to shopping for my Easter dress!) She always had a hug and a smile. I love you Aunt Marilyn and I know that you , papa, granny, uncle jack, mamma, and Ronnie are smiling and happy.*
