“ Landon and family,
I was so sorry to hear of your loss. I really appreciate your friendship and the support you have all provided my grandson, Jake Buchanan. He always spoke highly of Mark and has had many years to share so many fond memories with your family. You have been the closest thing to family especially since we lost Jakes dad when he was so much younger. Through the years Mark has provided such a role model for so many of life's challenges. Jake has shared some of his memories of working with you and Mark. I didn't know Mark but from what was shared of the memories of his life; he will forever leave lasting impressions of pride. The blessings and pleasure of sharing a gentle soul in your lives has more meaning than words can express. My prayer is for comfort and peace through this trying time. Love Barbara Buchanan, Jake's grandmother.
