“ Joshua was a miracle baby, he brought so much Joy and Hapiness to my sister who was told she could not have children. He was blessing in so many ways. He made so many of us laugh and smile. He would do things just so we would laugh, and he rubbed off on my son David, they were always acting silly. Josh had so many trates from my sister as she has always had a heart of Gold. All my sister talks about is how Josh wanted to help others, and how proud she was of him. It always seems like the Lord take the best at such a young age. You will always be in our hearts Josh. Please watch over you momma and hold her and comfort her always!!! Fly with the angels sweet young man. RIP

“ I didn't have the opportunity to meet Joshua but I do know Martin & his wife Fibi. So I do know that Joshua must've been a pretty amazing young man! I've had the opportunity to pray faithfully for Joshua and to witness his strength to keep fighting like a Warrior and our Lord and Savior called him home! To Martin, Fibi, and Family: I cannot possibly fathom what you are going through but I've prayed and will continue to pray that God grants you comfort, peace, and understanding! Joshua is no longer suffering and I rejoice because he is in heaven now! I love you guys and I offer my condolences and deepest sympathy for your loss!

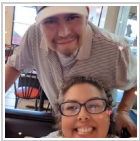

God Bless,

“ *By having Martin Hernandez as a Friend and Brother, we spend our lives as if we were blood siblings, though we were not. One of the Most Compassionate people I know, his son Joshua was born, it was a Blessing to his father and the world. I think back and I remember the Joy and Blessing in which was brought to My Brother Martin. As for a son Martin, Joshua's father loved, cared and respected the young man his son. Martin Joshua Hernandez will never be forgotten as our Father God has called him home. I was Blessed to know such a boy and man in which Joshua grew up to become.*
