I didn't know her very long less than a month but she was a blessing to know. I loved her and your sister the moment I meet them. It was my pleasure to serve her the last days of her life. She has a great family. Thank y'all for giving me the opportunity to serve her. ❤️ Continue to pray for her family.

Such a gracious lady! Always enjoyed visiting with her and Janelle. Never seemed at a loss for things to visit about.....unless there was a football game on, or course. Then it was all about football, and we'd enjoy watching the game together!!! :) Celeste Unfred
