

## Matthew Todd Goin

November 9, 1990 - July 26, 2017

It is with a broken heart that I say my baby boy, Matthew Todd Goin left us all on July 26, 2017. Each of us loved Matt in our own way, and as his mother I will do my best to bring honor to him always.

Matt was born November 9, 1990 in Lubbock Texas. He came into this world as a fat, happy miracle of God with a head of hair and the most beautiful green/brown eyes I have ever seen. He was my Fatter Matter and I loved him every second of his brief life, even in our worst moments when he didn't believe I did. Matt spent his life trying to protect everyone except himself, and he left this world in the arms of his Jesus who now protects him.

Matt leaves behind so many of us who loved and cherished him, including his wife Nicole, sons Noah and Angelo, his sister Danielle, her husband Rickey, and their children Brooklyn and Coy whom he cherished dearly, myself and his step father Darin, his grandparents Doyel and Goldie Potts, brothers Aaron and Dillon, sister Mykla, nephew Bentley and so many other cousins, family and friends. I know in my grief I may have forgotten to mention those special to him. Please do not take this personal and honor him in your own way.

In lieu of flowers I plead that you donate to the drug and alcohol outreach program of your choice and we continue the fight to ban synthetics from our city and world. These demons have destroyed and taken far too many of our loved ones. Its time that we stand up and fight for their lives.

“ I'm so sorry for your loss. I first met Matt back in junior high school, then reunited a few months ago when we found out we were neighbors . He was a great guy and would take care of everyone around him, putting himself to the side. I know he loved his wife dearly . May he rest in peace now

“ *My children remember Matt once playing his guitar for them. For me I remember most watching him run alongside his sister, cousin, and friends as I would babysit them. I loved Matt's witty spirit and that is something I'll never forget. I love you Matt RIH.*
