

Meka Brake

March 17, 1965 - January 23, 2025

Meka Terese Lisman Brake, 59, died unexpectedly on January 23, 2025, in her home in Lubbock, TX. Meka was born on March 17, 1965, to Melvin Thomas and Hazel Irene Lisman.

Meka was one of a kind; smart, caring and could do anything she set her mind to! Meka wanted to play percussion in Monterey High School marching band, and she did so at a time when few girls chose this elective. She also played in the Texas Tech Marching Band for one semester.

Meka even followed in her father's footsteps for a period and was an insurance broker at her father's business Southwest Brokerage Agency. Meka found her passion in life which was being a nurse and helping people. Meka loved being a nurse, she loved the people she worked with and simply enjoyed life.

Meka was a very special person, she made people laugh and the funniest things of course happened to her. She was the only person we knew that a mouse had run up her pants leg or that could chip a tooth simple by resting in bed.

Meka is survived by her husband, Kevin Brake, her sisters Melanie Davis & Manda Pollock, and Meka loved being an aunt to Austin & Shawn Davis, Jillian & Rowdy Pollock and Samatha Forney.

Meka was known for her infectious laugh and ability to light up any room. Meka will be deeply missed by her family, friends and colleagues. Her passion to care for people as a nurse, wife, sister, aunt and a friend are truly

inspirational and inspire us all.

A celebration of Meka's life will be held at First Christian Church (Chapel) on Friday, January 31, 2025, at 2:00pm. First Christian Church, 2323 Broadway St, Lubbock, TX 79401.
