

## Melba Louise Raines

February 5, 1926 - January 10, 2023

Melba Raines, 96, of Lubbock, Texas passed away January 10, 2023.

Melba accomplished a lot in her life but for many remembering Melba, they know that she was famously known to the Lubbock area as one of the sweetest ladies in Furr's Cafeteria pushing a tea cart. This is where she made her lifelong friendships and had fellowship with all! In her early years she enjoyed weekly trips to the beauty shop followed up with a Wednesday night Bible study with her co-workers and friends. She really enjoyed planting flowers, the more colorful, the better! Anytime someone would walk in her home, a puzzle was always found laid out on the table where they could sit and visit while working on the puzzle. Also, during the visit coffee and fudge was usually enjoyed. Melba loved reminiscing and telling stories from her childhood. She absolutely loved her childhood memories with her mom, dad, brothers and sisters. A favorite was the memory she would share of the first time she had a Coca-Cola in grade school because this must be where her lifelong enjoyment of soda started. Melba was always seen with a Dr. Pepper in her hand. When anyone would question this, she would laugh and say it was the only doctor she's need. She may have been on to something with this, because after all, she did live to be 96! Melba was always such a caring mother, grandmother and friend to all. Every single day she'd think of others before herself and that is what we all most admire about her. She was always and will always be remembered as the sweetest person in the room.

Survived by a host of grandchildren, great grandchildren, and great-great grandchildren.

Melba is preceded in death by her parents, James Hines and Lillie Myrtle (Martin) Watson, her daughter, Vicki Spears, great granddaughter Trinity Jackson, three brothers; Raymond Watson, Millard Watson, James Watson and for sisters; Iva McCurdy, Oma Lee Paul, Viola Green, Lillie Maureen Watson.
