“ To Melinda's family : I'm so very sorry for your loss. Melinda and I go back to Jr high and high school. Some of my memories of her is helping the Halpain's out with the indoor motocross, sleepovers w/ her and the Singleterry girls. She was always very quite and shy but always seem to have a very contagious smile. I know she will be missed greatly. She is now in a much better place. My thoughts and Prayers will be with you.

“ To Melinda's family: I was so saddened to hear that my sweet friend had died. I am praying for you all. Melinda and I worked together for many years and were good friends. I know from all of our conversations through the years that she loved you so much and was so proud of you. When she became a Grandmother her heart just soared. She was so sweet, loving, caring and kind. Whenever I think of her I picture her with a smile. We have lost a wonderful woman and I am so sad. May God's grace help you through this difficult time. May you feel His loving arms around you.

“ My heart is broken! Bill and I are praying for the entire family. My memory of Melinda was back in high school....at the time she was driving a Gremlin! Seems like it was either right before or right after graduation she got a new car....a 240Z (I think). We were all so jealous. What we didn't realize at the time was that she had worked hard for that vehicle. I was so surprised many years later to realize that she had moved in just two doors down from me. She was such a sweet person....always enjoyed visiting with her. Our thoughts and prayers are with you all!

“ I was privileged to work with Melinda occasionally over several years and to get to know her as a friend. She truly was one of the nicest, sweetest people I've ever known, and a pleasure to be around. Melinda was very good at her job and well respected by all who came in contact with her. She will be missed.

“ Dear *Dunnam family,*
Please accept my condolence and deep regrets for your loss for this is not what our loving creator Jehovah God intended for us to go the pain and grief this enemy death always brings and he's provided help for us in his word the Bible at John5:28,29 for there it tells us that we'll see our love ones again in the resurrection when Jesus brings them back here on earth and ICorinthians15:26 states that this enemy death will be brought to nothing. With all this help I'm able now to cope with my loss and get through each day because now I know I'll see my family again. I wanted to share this with you at this difficult time when hope and comfort is needed in hopes it'll help you also in some way for this is my purpose in sharing this with you and please feel free to let me know if I accomplished my purpose at gloriamosley@hotmail.com and please know that I do share your grief and hope to hear from you. “ Melinda brought such a gentleness and warmth where ever she went. Our family was so blessed by her presence. Her love for her daughters and their families permeated her being. I wish we could have had more time. May those who loved her (and to know her was to love her) be comforted in the knowledge that she is now full of joy and held close in the strong arms of God.
