“ This to my Little Sister I never got know as much as I wanted too. We had the privilege to meet Jory and Taci a few years ago when Mimi and Papa brought them out to California for a visit and to celebrate our Daughter Anna's graduation from US Santa Cruz. What a great time we had visiting, even though it wasn't long enough. We wanted so much to to see Mindi and get to know her better. She called me one time, out of the blue, just to say she was curious about me because she had seen pictures and heard people talk about me when she was little. Come to find out we had a lot in common and formed an immediate bond. Our hearts go out to Jory and to my Mom and Dad. We love and miss you all.

“ Mendi could make me laugh like no other! She loved life, music, traveling, family, friends, and most of all Jory. We made many memories together at Madison's Place, camping trips, riding around in the egg, and in Santa Fe. I will miss you with all of my heart. Lew-you were the greatest and I love you! See you on the other side!

My thoughts and prayers to Jory and your family.

“ My employee for any years, but my friend for life. I have spent many hours giggling and snorting with you. What a precious heart and sense of humor you had. I wish I had made you Mac and cheese the last time you asked. Rest in peace dear friend.

“ Mendi is one of my favorite people to have walked this earth. She gave her help to everyone who needed and was always assisting those who the rest of us would pass by. I have done many of my favorite things with Mendi, traveling to Europe, to Santa Fe and just being able to call her when I was in my darkest moments. We got busy with life and lost touch for the last year and for this I will be forever saddened. She is the funniest person I know and had a laugh that could send anyone into a good mood. She was restless and needed to travel...she traveled constantly through music, books and people from every walk of life. She lived for Jory and she loved her parents dearly. I am saddened with a heavy heart but know that she is now traveling anywhere her heart desires. I will still tell you all my news and bad jokes Mendi. You have a huge circle of friends who will be a little brighter with you looking after all of us. Many prayers to Mendi's family- she loved you all.
