“ *My family and I have the great privilege of working with Mike on the stage, our first show together was Oliver! where he was Fagin. We also worked in the King and I and Annie get your gun. Being on stage with him was nothing short of magic. I was always inspired not only by his talent but by his ability to make every person in the cast feel like important. His smile was infectious and his soul was so bright. We are so saddened to hear this news and wish Hannah and the family warmth at this time <3 -The Bockos, Teri, Mary & Kristi*

“ Hannah-I met your father doing Guys And Dolls at Monterey in 1977. I was a sophomore with a lousy voice in the chorus, and he was a senior with an incredible voice playing Sky Masterson. Years later when I'd come home to visit my parents, I'd occasionally have the chance to hear him at Shaarith Israel where my parents were members. My Mother remembers him fondly from those days too. In After that in my early days on Facebook we reconnected with personal messages once or twice. I'm not much on Facebook now. So we hadn't talked in awhile. But I will truly miss him. Judaism says 'May the memory of the departed always be as a blessing.' Mike's memory thru both the kindness he showed to people and his incredible talent will definitely fulfill that wish.

“ Mike was probably my 'best bud' while I was studying music at Tech so long ago. He and I were almost exactly the same age. We first met when we both participated in the Tech production of 'Rigoletto' while still in high school. We were together at 3 different churches in Lubbock as bass/tenor section leaders. I can't remember all of the major choral works we both sang, the madrigal dinners, the shows, the dramas with girlfriends, the mugs of beer and huge servings of smothered nachos we'd eat at El Chico's before going to staging rehearsals for the next production. He was such a kind person, always showing respect and warmth toward others. His behavior, even at that young age, made a lasting impression on me. Hannah, we grieve with you for your loss and for the loss this represents to the entire Lubbock music and theater communities. - Pax, John Priddy

“ Remembering Mike's performance many years ago in *The Fantasticks* as El Gallo. He made it seem so effortless and I was no doubt envious of his talent. Here's sending much love and wishing peace for Mike's family and friends. May his memory be a blessing.

“ *Dearest Hannah. The whole Gillas family - Mary, Sean, and Elizabeth, and Jack in spirit, mourn this loss deeply. Mike was such a good and kind human and such a wonderful singer and actor. Mike graced so many TTU Music Theatre productions. Mom and Dad knew him since he was a high school student. He was a member of the family always. And oh how he loved you, Hannah. Our hearts are so heavy for you. Know that his memory will be carried with so many. He will live on. Hope he and Dad are singing a duet. We send love and light. ❤️*

“ *Mick was fun to be on stage with, always invested in doing the best production and sharing his experience and knowledge with others. I respected Mike’s talent and the man behind it. I know there will be many students, friends, and artists that will miss his friendly nature and him sharing his talent with both audiences and performers.*

*Our family was so blessed to have known and loved Mike. He most definitely was Lubbock’s MUSIC MAN. He always made it a point to greet us at every performance we attended. Our grand children thought he was a movie star, and when he, being a friend, would give us a hug they were very impressed. Lubbock has lost a great talent and a sweet loving man.

“ I was in the production of "Oklahoma" that starred Mike as Curly more than 40 years ago. Many, many fond memories of that production. We reconnected a few years ago when I attended "Annie" in which he was Daddy Warbucks, and we exchanged memories. He was a really nice guy - genuine and real. I'm so sorry that he is gone.

“ *Michael was a few years older than me. Growing up in Lubbock as a musician, he set our bar really high. Particular memories that I cherish are hearing him sing with the FUMC Chancel Choir “O Come, O Come, Emmanuel” on Christmas Eve and playing Curly in “Oklahoma” for TTU summer theater. I was in the pit and remember every note he sang in that show. Thanks Michael, for inspiring young artists everywhere.*
