

Mike Lopez

November 22, 1965 - September 9, 2020

Mike Lopez, of Lubbock, passed away September 8, 2020 at the age of 54 after a two year fight with pancreatic cancer. Mike was born to Lupe and Alfonso Lopez on November 22, 1965. Viewing will be come and go from 10:00 a.m.-8:00 p.m., Thursday at Sanders Funeral Home. Funeral services will be 2:00 p.m., Friday, September 11, 2020 in Sanders Memorial Chapel. Graveside services will be in Peaceful Gardens Memorial Park.

Working with his father and brothers, Mike made his living as the "Tile King." He was extremely skilled with a water-saw and had a passion for a clean grout line. Mike enjoyed every moment of his life. He knew the importance of combining hard work during the week with playing on weekends- from Saturdays at the flea market, Sundays boating and fishing wherever you could find water, or simply at home with his family tinkering on projects in the garage.

Mike's daughter, Julia, is his greatest joy. He knows how smart and talented she is, and looks forward to watching her future successes. He also wanted everyone to know how much he loves his wife, Amy. He knows she'll be strong and he wants to assure her that he'll be there to support her in the years to come.

Mike is joining his father and his nephew, "Little" Michael, as well as his

Chihuahua, Chiclet. He leaves behind his wife and daughter, his mother, brothers and sisters, nieces and nephews. In lieu of flowers, please consider donating to a fund set up for Julia Lopez at City Bank.

“ Even though that Mike was two years older than me, we were the best of friends in our teens. When I got my pierced at 16, Mike was there along with his father, who is the one who actually pierced my ear. My first and only tattoo at 17 that I still have on my upper arm, Mike drew it while we were playing around with his home grown tattoo machine. We lost touch after I moved away, but we still managed to stay in touch every once in a while. These pictures were taken in Galveston in August 2017, when Mike was on vacation with his wife and daughter, his sister Chris and her husband. It was good seeing him after all the years that had gone past, drinking cold beers and watching him catch crab. I learned about Mike's illness a couple of day's before his passing and it saddens me that the last time I saw him was in 2017. We might have spoken a couple of times after that and that saddens me that much more. Rest in Peace Mike. I have many great memories of your friendship.

My condolences to the Lopez family.
