“Mildred was such a sweet person. During our time together at Southwestern Public Service, I knew that Mildred loved her 2 sons and husband very much. Her world revolved around you. We will miss her and know that she is taking her place in Gods loving arms. Hope you will take comfort in knowing she is now at peace. We had some great and funny times together. Her sense of humor always was a part of who she was. I will be praying for you and your family during this time of loss.
