“ *When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.*

And this day will come, but now I pray for a lighter heart , because I know your's is broken. May God comfort you in these days of sorrow.

Love you guys....

“ *I,too, was one of Miranda's teachers at Brown Elementary. Miranda was so sweet and SO smart. I ran into her when she was working at Orlando's a few years ago and was so happy to hear about her plans for college. I knew she was going to be special in whatever she chose to do. She could have accomplished anything! This world has lost a truly amazing young woman. I know she will be missed by so many. My heart goes out to her family and friends. I'm sure that adored grandfather was waiting for her with open arms.*

“ One of the most amazing young women I have ever had the pleasure of knowing. Her smile and laugh was infectious and warmed the hearts of everyone around her. I loved just talking with her she had a great sense of humor and it was always exciting to talk with her about robotics, school and her love of animals!

My dear, dear girl, you are so loved and touched everyone you knew in such a positive way. Heaven is a much better place with you there and Lubbock and our community will always feel our loss. God bless you!

What joy Miranda brought to my life when she was a student of mine at Brown. It didn't stop there though, because she continued to stay in touch with me and made me feel so loved as a teacher. She was a wonderful student not only at Brown but throughout all her school years. I would run in to Miranda at Bealls and loved listening as she caught me up on her college life. Heaven has another shining star to lead the way. May God bless Miranda's family and give them strength and courage and peace. Jeannie Forrest Brown EI.
