“ To Bob and the Pattillo family. I am sorry for your loss. We first met when we were kids, and we lived on 39th street. My brother Robert, and I always had fun playing front yard football with Bob. Then the fun times at school at Maedgen Elementary School, when Bob and I were in the same class together. Lots of fond memories. Then we lost touch when our family moved to Amarillo, Texas. We will keep you and your family in prayer, in the days ahead.

“ *I met Molly in first grade, and we were close friends from that time. We spent countless hours together every week while our parents played cards. Molly and I would give each other a book for Christmas and then trade, so that the other could read it. I have so many happy memories of the times we spent together! She was a beautiful person and my dear friend.*
