“ Mona was a close friend in Anahuac High School, she and a few other friends stirred up trouble a lot of times, she would load us all up in her yellow Volkswagen and off we'd all go. I'll never forget her laugh, it was contagious, or her friendship. Rest In Peace Mona

“ I got to work with Mona for several years in multiple roles and consider myself so lucky for it. Mona was resilient and impactful. She was the best wingman during presentations and was always willing to help others. Her cookies were the best. I will miss her advice, her dreams, her sayings...Her friendship..Spending time with her.

I will miss Mona to the moon & back!
