Nelda Myres was a cherished wife, mother, aunt, grandmother, great-grandmother, and friend. She was deeply loved and adored by her family and friends, and it was the joy of her day to hear from her children. Nelda was a collector of many things and loved taking on new crafting challenges.

Although she was loved by many, she was loved best by her husband and soul-mate of 64 years, Jake. The selfless love and sacrifice exemplified in their marriage has been a great foundation for their family.

Above all, Nelda loved the Lord with all her heart, soul, and mind. Her family rejoices to know that she is now in His presence in Heaven and has been reunited with those she loved that have gone before her.

“ I remember walking across the park with my siblings (with no adults) to visit our Aunt, Uncle, and cousins. As children, we loved being close enough to make those visits back & forth. I also remember a pink play house in later years at Nonnie's (Sr) house that Granddad built for all of us kids to enjoy. We are & were a blessed close family. I love you all.

“ *I've known Nelda for over 50 years and in that time she made me part of their family, mainly because I'm her daughter Melanie's best friend. She included my family in holiday celebrations because we had no family in town. She and Jake were like second parents. She will be greatly missed. I pray that God comforts her family as the grieve and provides them peace.*
